PRESS RELEASE

JEKKO PARTICIPATES IN THE 2023 EDITION OF GIS

GIS – Italian Lifting and Transports Days 2023 is the trade fair to be held from 5 to 7 October 2023 in Piacenza and which will see Jekko once again among its exhibitors.

The mini crane manufacturer will attend and exhibit its models at **booth nr. N137**, measuring 391 m² and located in the **outdoor area**.

The models on display will be the **SPX telescopic mini cranes** in lithium-ion battery versions:

- **SPX328**, the latest model launched on the market by Jekko, present in two models, equipped respectively with electric jib and runner jib
- **SPX532** equipped with hydraulic jib
- **SPX650** equipped with hydraulic jib

The **JF line of tracked articulated mini cranes** will be presented:

- **JF235**, one of the latest models launched on the market, equipped with jib
- **JF545** equipped with jib and two-seater basket
- **JF990**, the largest of all Jekko mini cranes

For the **Accessories** line, finally, the 5-10-20 tonne lifting beams will be on display, used for industrial handling and lifting of manufactured goods, they can extend of telescopically.

The **Minipicker** line, as in the last edition, will be on display at the stand of LEVO S.r.l., Jekko's official distributor for this range, present at the fair at stand L93-M97 in the outdoor area. Here MPK06 and MPK10 will be on display.
