

**PRESS RELEASE - August 20<sup>th</sup>, 2024****For Jekko it is time for fairs and product news**

After recharging during the summer holidays, the trade fair season begins for Jekko, at which it will present a portfolio of novelties.

The first in the long list is **Internationale Holzmesse/HOLZ&BAU** in Klagenfurt (Austria), focused on forestry, sawmilling, timber construction, joinery, transport, bioenergy and hunting; from 28 to 31<sup>st</sup> August you will find Jekko brand at **Kogler Krantechnik**'s stand, Freigelände West, nr. 32 with a knuckle boom crawler crane with integrated grapple saw: a versatile and stable unit for tree work on off-road and hard-to-reach areas.

We will then move to South Africa to **Electra Mining Africa**, focused on mining, electrical, automation, manufacturing, power and transport to be held in Johannesburg from 2 to 6<sup>th</sup> September. We look forward to seeing you at our dealer **SkyJacks**' stand, Yellow Zone, nr. YE41.

Karlsruhe in Germany will host from 6 to 7<sup>th</sup> September **Platformers' Days**, the trade fair for aerial working platforms, cranes and forklifts. **Jekko Deutschland**'s booth H340 @Hall 1 will showcase many new models. First of all, the extension of lithium-powered product range, with JF235CL, the first Jekko fully electric knuckle boom crawler crane. This confirms Jekko's strategy of moving towards a full range of fully electrified models. Fully electric are also the re-designed minipickers with new improved glass manipulators. Novelties also on mini cranes, with the new EVO Kit on SPX328, increasing product performances and lowering battery consumption.

We move further north to Newark Showground in United Kingdom at **Vertikal Days** exhibition from 11 to 12<sup>th</sup> September, a must for professionals in the lifting sector. Jekko's dealer **Foster Cranes** will show at booth nr. 125 a wide range of the latest models of mini cranes, knuckle boom crawler cranes and minipickers.

Then we wait until the Olympic and Paralympic Games are over and move on to France, to Saint-Chéron where the **Salonvert** fair will be held from 18 to 19<sup>th</sup> September. At Salonvert, the fair focused on green spaces and landscapes, it will be possible to find out at stan nr. 27 how Jekko mini cranes can be useful in the forestry and gardening sector.

We continue our long tour of late summer fairs in Burgundy in the city of Beaune to sip an excellent glass of wine and visit the traditional **JDL Expo**, a must for lifting and construction professionals. A wide offer of newest Jekko minicranes and tools can be viewed at **Jekko France** stand, outdoor area from 25 to 27<sup>th</sup> September.

The following month we will move on to Düsseldorf in Germany for the **Glasstec** fair from 22 to 25<sup>th</sup> October, the leading trade fair for the glass industry. **Jekko Deutschland** will be exhibiting at Hall 11 - stand C86, the latest minipickers with new glass manipulators.

The big trade fair tour is over for now, we can go home and work on the new machines and prepare for Bauma 2025!
